

Call for papers / participation to the "International Scientific Conference of the Cameroonian Diaspora"

The Cameroon Diaspora Network.Germany (CDN.G) will organize a scientific conference entitled "**International Scientific Conference of the Cameroon Diaspora**" in September 2015. The goals of this conference are to present the status / results of the work / research of the various participants in their respective scientific field; to establish and maintain contacts between them; to share thoughts and experiences across borders and thus facilitate knowledge transfer to Cameroon for sustainable development.

➤ Participants

The call for papers is addressed to all scientists (researchers, engineers) youth, seniors and experts of the Cameroonian Diaspora and those living in Cameroon.

➤ Submission Criteria

Abstract

The summary of each article must contain at least 100 words and no more than 250 words in **Word** format, **Arial 10** and be structured as follows:

- Name, email address (and postal if possible) of the author **only on the first page**
- List of key words
- General issues clearly stated
- Methodology
- Results
- Conclusions
- Major Sources and references used

Final paper

The final document must contain between 6-8 pages (including images and graphics) in Word format, Arial 10 and be structured as follows:

- Introduction
- Issues
- Methodology
- Results /Interpretation
- Practical Application of the obtained results
- Recommendations / Conclusions
- References

Posters and practical demonstrations

The opportunity to present posters and demonstrations with prototypes is available for authors. Authors wishing to present posters summarizing their research results or for those wishing to show their inventions / design are requested to include in the summary submitted as keywords mention **Posters and demonstrations**. This will allow a better coordination and preparedness for the organization committee.

The names of files sent should be formulated according to the following structure:

Abstracts: **Abstract_ShortTitle_Domain_AuthorName.doc** (i.e.
Abstract_AgriculturaEquip_Author1.doc)

Final paper: **Final_ShortTitle_Domain_AuthorName.doc**

Posters and demonstrations: **Posters_demos_ShortTitle_Domain_AuthorName.doc**

➤ Aspects to be covered by submitted publications

- **Mecatronics** and its different aspects
- **Applied sciences and techniques with their application:** Applied engineering, applied informatics, applied economics,...
- Applications for the development of Cameroon

➤ Important Dates

- Publication and communication of the call for papers: 31 December 2014
- Submission of finalized publications by the authors: 06 June 2015
- Peer Review of the publication and feedback to the authors: 15 June 2015
- Communication to the authors of the results of the review process: 30 June 2015
- Sending of the final corrected versions by the authors (Camera Ready): 31 July 2015
- Conference date: 19 September 2015

➤ Method of submission and review

- Papers and abstracts should be sent by email to the address **conference@cdn-g.org** or by using the submission form at **<http://www.mecatronic.org/conference>** while respecting the above criteria.
- Review method: **Blind peer review** for this reason the names of authors should only be written on the first page.

➤ Communication and publication languages

English, French, German

- **Conference place:** Wolfsburg
